MEMORANDUM FOR: Chief, Military-Economics Division, ORR

ATTENTION: [Redacted]

FROM: Chief, CIA/PID (NPIC)

SUBJECT: Line Drawings of Four Possible Missile-Related Installations
in the USSR

REFERENCE: (a) Requirement RR/300/62
(b) CIA/PID Project C 1092-62

1. This memorandum is in answer to your requirement dated 1 November 1962 requesting line drawings with measurements of four possible missile-related installations near Volodvisk, Chadayevka, Bulzhino and Nyandoma.

2. A detailed study of the above installations revealed that all four areas have some basic features. These basic features include the following: multiple rail sidings with a road extending from these sidings into two clearings within heavily forested areas, no security fencing identified, and buildings associated with these installations are not of any unusual size or configuration.

3. Enclosed are line drawings of each of the installations depicting changes since the installations were first observed.

4. The photo analyst on this project is [Redacted] and he may be contacted on extension [Redacted] should you have further questions regarding this project.

5. This project is considered to be complete.
